

LAYOUT FOR BAG

- The layout below is for 2 different fabrics, the layout remains the same for 1 fabric.
- Make 16, 6" circles. (8 of each fabric if using two fabrics) . A 4" square of wadding is used as a lining inside each circle. The wadding is sewn into place on the wrong side of the feature fabric, before pinning the squares together ready for sewing.
- Use the sewing machine to join the rows together as per layout below.
- The rest of the bag is now whipstitched together from the wrong side.
- Fold the bag in half along the dotted line (see below) with wrong sides together. Line up the number 1 squares.
- Refer to the diagram below, stitch the sides of the squares together in the following sequence.

A to B	C to D	E to F	G to H
J to K	M to N	P to O	R to S
- Turn the bag right side out. Cover a 5 and 3/4" piece of card with fabric for the base.
- The bag is now complete apart from attaching handles of your choice.
