

Creating new fabric Poppies / lilies 2-day Workshop- all levels

Create your own original fabric, with a fusing technique that can be used in backgrounds and motifs. This is a creative approach that will enhance your art quilts.

Suzanne Gummow,
South Australian
art textile educator

You will create a small quilt top, approximately A3 size. Some of the techniques covered in this workshop include: design, raw edge applique, free machine stitching / quilting and finishing.

You will work on your own individual theme and all finished work will be different.
